Dear Bill:

As you know, the Commission's proposal to establish new classes of LPFM stations has encountered a considerable amount of opposition, in part because of apprehension that these stations might create electrical and/or competitive interference to existing broadcasters.

I am enclosing a copy of some Comments and a Counterproposal which I have filed in the proceedings in MM Docket No. 99-25 on behalf of Zillah School District #205. I believe that the School District's proposal would solve a lot of these problems and constitutes a viable alternative to the Commission's proposal. I hope that it will receive serious consideration.

Pursuant to Section 1.1206(b)(1) of the Commission's Rules and Regulations, I am filing two copies of this letter with the Secretary's Office.

Very truly yours,

  
LAUREN A. COLBY  
Attorney
